

# Career Interviews & Reports

Students should interview two people about their careers, and then write a report about the interview. The interviewees can be in the same field or different fields. Report must have a title, intended paragraphs and must be double-spaced. Report must have correct capitalization, proper English & proper punctuation marks.

The report should include:

- The interviewee's name & job field
- A description of the job responsibilities for each job
- An explanation of why each interviewee chose that career
- A description of the preparation needed for that career or careers
- A description of the work habits needed for that career or careers
- A decision by the student as to whether he or she would pursue that career or careers
