<b>It Must Be Love</b> You're someone's valentine! (Deluxe Package)	\$10.00

FBLA Luv-A Grams is a new project brought to us by one of our outstanding members. We wanted to do something where we could take advantage of the Valentine's Day holiday and fundraise, while also raising awareness for March of Dimes. Sophomore Destiny Lampkin, came up with the idea of selling valentine themed packages to students. Students & teachers could pay in advance for whatever package they wanted and have it delivered to the person of their choice. It was a great sales pitch and proved to be very successful. Being in competition with other clubs and their Valentine's Day products, we had one of the most popular things to offer. In the end we were able to raise over \$150 for March of Dimes.
