Janine,

My name is Chance and I am your Director of Member Services. I wanted to send you my personal welcome and let you know that your Convention Membership has now become active. I am here to help you reach your goals in your profession; so if you have any questions, please email me at cmckee@tcea.org.

Please know you will always have a direct line into my office at any time.

In order to personalize the TCEA experience for you, I checked your membership details to see which benefits and opportunities might be most helpful to you.

Top Member Benefits for You:

- [Free and discounted iOS apps and Kindle books](#) - This list of apps and eBooks is compiled every day and sent out to interested members. Sign up to receive the list and then you're on your way to an efficient iPad/Android classroom!

- [More than 80 hours of free CPE](#) - Need some CPE credit fast? That's easy with TCEA. Complete one of our Lunch and Learn webinars while you sit at your desk and chill and get that CPE stuff out of the way :-)

- [TCEA Social Community](#) - Lesson plan ideas? iPad Integration? Done! Get tips and tricks from other TCEA members to help make your efforts more effective and efficient. I've also added you into the Member Benefits group, so you can see everything we have to offer.

If you are looking for even more specific resources, feel free to reach out to me and I will do my best to further personalize the TCEA experience just for you. I'm simply an email away.

I am very excited to have you as part of our ever-growing community. Thank you for your support of TCEA!

Always Smiling,

Chance McKee
